## Another New Thing in Penobsco.

The Trojan Pioneer Cooking Stove.

THE subscribers after great expenditure have succeeded in bringing this admirable Cooking Appertitus to perfection, and are now prepared to furnish the public with the very best article own invented fair Stove has had three of the highest promiums awarded to it that were ever avarded to a Cooking Stove, at the Fair of the American Institute in the City of New York a Silver Medal was awarded, at the great State Fair at Toughkeepie, N. Y. 1844, where was the greatest continue ever known, he first premium was awarded to it and jastly at the Exhibition and Fair in Boston Silver Medal was awarded to it. Thus celebrated Stove stands unrivalked in Boston, heve York and other places where it is in extensive use, 1800 of them were retailed by one establishment in Boston the past year, for all two learning purposes it for surpasses any other Cooking Apparatus that can be produced. The ween is extremely large, being of sufficient capacity to admit six large pie plajes, or six large lowers of Bread, or even the largest pudding or hear point in use at the same time. In addition to the advantages it has over other Stoves for builtog, baking, washing fir ying, heating irons, &c., it is acknowledged by all who use them that they have the best arrangement for Baking and Russing that has ever been use, the steam (from all the cooking) being carried of effectually. Thus Midde leag composed of
